

Take me home Ferryman – A tribute to Feis Ile and Jura

Lyrics: Regina Schillings and Thomas Kalkreuter (from Hamburg)

Tune: John Denver, Take me home country roads

Almost heaven, West of Scotland
Best Malt Whisky, all the lovely people
Whisky's old there, older than myself
Younger than the island, where it is distilled

Ferryman, take me home
To the Isle, I be-long
West of Scotland, Isle of Jura
Take me home, Ferryman

All distill'ries, world-renowned there
Ardbeg, Jura, Laphroaig, Lagavulin
Bunnahabhain, sited by the Sound
Hurry for the ferry, going Jura-bound

Ferryman, take me home
To the Isle, I be-long
West of Scotland, Isle of Jura
Take me home, Ferryman

I hear her whistle in the mornin' she leaves Port Askaig
Heading for the island where malt lovers' dreams come true
Caol Ila, Kilchoman, and Bruichladdich,
and Bowmore – have your dram – every day

Ferryman, take me home
To the Isle, I be-long
West of Scotland, Isle of Jura
Take me home, Ferryman
Ferryman, take me home
To the Isle, I be-long
West of Scotland, Isle of Jura
Take me home, Ferryman
Take me home, Ferryman
Take me home, Ferryman
